The foregoing Request For Proposal is amended in the respects as herein set forth.
This amendment shall become part of the said document.

Article II. PROJECT INFORMATION AND REQUIREMENTS

C. SAMPLE CONSULTANT AGREEMENT

Modify line 4: The Agreement will require the consultant have professional liability insurance with a minimum amount of at least \$1,000,000 coverage per claim, with an annual aggregate of at least \$2,000,000 for Component I. For Component II, the County may additionally require the consultant carry a **project specific** professional liability insurance policy of up to a minimum of \$5,000,000 coverage per claim and annual aggregate. The consultant shall assume the entire cost of the professional liability insurance as a part of the firm's overall project overhead. If a project specific insurance policy is required for Component II, the County will pay the actual cost of the policy.

Article VI. PROPOSAL SUBMITTAL REQUIREMENTS

Paragraph 4, end of line 2

Add: The estimated fee proposal for Component II shall not include the cost of a project specific professional liability insurance policy. The terms and cost of such policy shall be negotiated as a separate item during negotiations for Component II services.
